City in Total Darkness as  
Firemen Fight \$30,000  
Blaze.

ALEXANDRIA, Oct. 27.—A loss of \$30,000, without insurance, was caused by a fire which destroyed the lumber, sash and blind factory of Aitchison & Bros., at 215-21 South Union street, shortly after midnight. The fire was discovered by Alpheus Robey, a private watchman, and William H. Simmons, on the second floor of the center brick building adjoining the boiler room. By the time the firemen reached the scene flames were shooting from all parts of the building.

The mill is in the vicinity of the plant of the Alexandria County Lighter Company. In order to protect the firemen, the current was cut off and the city thrown into darkness until 2:30 o'clock this morning.

Luring the progress of the fire Chief Cronan had his hand badly burned and Fireman R. D. Catts and L. A. Cook, of the Reliance Company, and William Wood, Jr., of the Alexandria Company, stuck nails in their feet.

Capt. Albert Bryan was elected vice president of the common council of Alexandria to succeed the late Charles B. Marshall at the semi-monthly meeting last night. The Alexandria Light Infantry petitioned council for recognition with which to repair the Armory Hall. A new roof is needed which will cost \$600.

Councilman Ballenger introduced a resolution appropriating \$1,000 for graveyards in the city limits. The money is not to be used until the citizens of churches of the city have subscribed \$500.

The sum of \$1,200 was appropriated for a sewer on Henry street, between Princess and Orinoco.

The fourth anniversary of the organization of Martha Washington Chapter, No. 42, Order of the Eastern Star, was celebrated by a birthday party last night in Masonic Temple. Percy E. Clift presided, and a musical and literary program was given. Mrs. F. P. Russell and Mrs. Edgar Warfield, Jr., played a piano duet, and there were solos by Miss Ethel Grimes, Miss Caroline Kasi, Miss Margaret Finks, Warren W. Grimes, and a recitation by Miss Harriett Pollard. Addresses were made by Mrs. Kate Carlin, Frank W. Latham, N. S. Greenaway, Miss Lucy N. Graves, and Charles H. Callahan.

## Baptist Revises Apostles' Creed

Massachusetts Pastor Says "It Contains Phrases Which the Human Mind Cannot Accept."

BOSTON, Oct. 27.—After criticizing the Apostles' Creed as "containing phrases which the modern mind cannot accept at their face value," the Rev. Woodman Bradbury, of Cambridge, offered to the Baptist ministry his idea of a new creed.

The creed suggested by Bradbury follows: "I believe in God, the Father of all races; in Jesus Christ, our Lord, and in the Holy Spirit, the purifier of hearts of men."

"I believe in the gospel as the power of God, and the wisdom of God, and in Christian good will as the force to transform the world."

"I believe in the church universal, the communion of the good, the coming of the kingdom and the life everlasting."

## Smaller Supply To Balk Stamp Thefts

Department Cuts Allowance to  
Two Months' Reserve in  
Postoffices.

To lessen the annual loss from Post-office robberies, the Postoffice Department today announced that it would reduce the number of stamps issued to postmasters, particularly the 1-cent and 2-cent denominations, the main object of burglaries. Heretofore postmasters have been permitted to carry from three to twelve months' stock. In future they will be allowed only two months' supply, unless they have burglar proof safes, or arrangements by which they can deposit stamps in banks at night.

The solicitor of the department last year allowed 150 claims for loss of stamps amounting to \$190,000.

**Maryland Candidate Is

As he crossed the tracks a trolley struck him.

## KNOX BOOTH'S DEATH MAY HALT TRIALS

Was to Have Been an Important  
Witness in "Moonshiner"  
Case in Southern States.

Internal revenue and Department of Justice officials are speculating as to what effect the sudden death of Knox Booth, an important Government witness in a number of whisky cases, will have on the prosecution of alleged "moonshiners" and "blockaders" in Kentucky, Tennessee, and Arkansas. Although exactly how vital Booth's testimony would have been will not be known until the return of Assistant Commissioner of Revenue David A. Gates. It is understood that the death of the witness, who was formerly United States revenue agent for Arkansas, Alabama, and Tennessee, will prove a serious blow to the prosecution. It was said today a number of additional arrests in Kentucky and Tennessee had been planned on the strength of Booth's disclosures. Whether these arrests will be made now has not been determined. Booth, who surrendered in Montgomery, Ala., last spring and put up \$10,000 bond when implicated by witnesses in alleged whisky frauds, was present at the recent trial of John L. Casper and seven other accused "blockaders" in Fort Smith, Ark. He was not put on the witness stand because the defendants pleaded guilty. The Government reserved Booth as a witness against twelve other alleged whisky fraudsters whose cases, like his, were docketed for hearing in January. His evidence is said to have been relied upon to bring about the conviction of the other accused men.
